

1700 Series

Cold Water Pressure Washers

North America's #1 Brand of High-Pressure Cleaning Equipment

Electric / Belt Drive

Quick disconnect nozzles are color-coded for quick and easy changing between 0°, 15°, 25°, 40° spray nozzles

50-ft. high-pressure, hose for easy maneuverability around a large working area

Belt-drive motor ensures a smooth and quiet-running machine

Tri-lingual labels provide operating instructions in English, Spanish and French

Zinc-plated, variable-pressure, dual-lance wand for remote detergent on/off

Model 1720 shown in optional Stainless Steel cabinet

Downstream detergent injection allows remote detergent application

Standard hour meter accurately tracks in-use service time

Hot water seal kit on pump accommodates incoming water up to 180°, an important feature for food processing facilities

Hotsy-designed Triplex pumps carry a 7-year limited warranty

The 1700 Series boasts a simple, yet extremely efficient, design. Cast-iron pulleys offer longer belt life. Belts are easily adjusted by turning two bolts. Notched V-belts provide cooler operation.

Model 1720 shown with optional wheel kit

FEATURES

- 2 to 10 HP Baldor Motor

All models available in Stainless Steel Cabinet

DON'T FORGET THE SOAP!

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.

OPTIONS FOR 500 SERIES

- Stainless Steel Base & Cover
- Wall Mount Kits (available in stainless steel also)
- Tall Floor Stand & Caster Kit - raises washer & provides portability with storage underneath
- Short Floor Stand Kit
- Stand & Wall Mount Hose Reel Kit - with bracket, keeps pressure hose safely stored and out of the way
- Time Delay Shutdown allows automatic shutdown
- Automatic Start/Stop - provides preset & adjustable on/off operation
- Wheel Kit with Chemical Rack

PARTS & ACCESSORIES

Your local Hotsy dealer would be happy to provide an onsite demonstration to determine which pressure washer accessories will help speed cleaning and lower your costs.

The most common accessories are telescoping wands, pivot and non-pivot hose reels, flat surface cleaners and high pressure turbo nozzles.

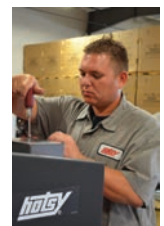

Optional Hose Reel Kit, Cart, Caster Wheel Kit and stainless steel base and cover

SERVICE & REPAIR

Hotsy has more than 175 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Hotsy has factory-trained service technicians who will provide on-site maintenance for your cleaning equipment. Our techs have most common replacement parts on their service truck, and will quickly have your washer running smoothly.
